Moore
The exclusive italian designed condo

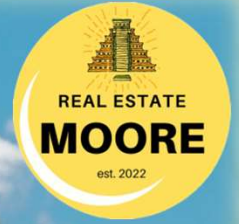

Moore - the lifestyle you deserve

External design

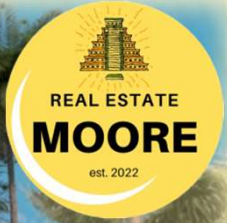

Due to its location, Moore Condo guarantees you great profitability and capital gains that will be reflected in the long term and in stable income that will guarantee your investment in the short term.

Apartments 10 minutes from the beach and soon very close to the new Tulum Airport and the Mayan Train

The area where Moore Condo will be built is part of a large development plan a few steps from the center of Tulum and the new train station currently under construction.

It has direct access from a public road and has 4 private parking spaces for the exclusive use of residents.

Moore CONDO is a very simple structure, but with a marked attention to detail.

Moore wants to be in harmony with the environment and nature by integrating perfectly with the landscape that surrounds it.

For this reason, Moore will be built with eco-sustainable materials and served by systems such as the photovoltaic system and solar thermal.
